SECTION B

CONTRACT TYPE, SUPPLIES OR SERVICES AND PRICE

B.1 GENERAL INFORMATION

The District of Columbia Office of the Chief Financial Officer, Office of Contracts, on behalf of Office of Lottery & Gaming (OLG) (the "District") desires a Contractor to manufacture instant ticket and digital games for the DC Lottery.

B.2 CONTRACT TYPE

The District shall award a Requirements contract with Firm Fixed unit pricing and option pricing based on a Fixed Percentage Fee structure.

B.3 ALL-INCLUSIVE PRICING

The stated Price Per Unit for each Contract Line Item Number (CLIN) shall be fixed, inclusive of all of the Contractor's direct cost, indirect cost, and profit; including travel, material, and delivery costs. The price shall include all cost associated with the services described in and required by the Contract. The Total Estimated Price shall represent the price ceiling, fixed fee, or not to exceed amount of the Contract.

B.3.1 NONPROFIT FAIR COMPENSATION ACT OF 2020, D.C. Code § 2-222.01 *et seq.*
Nonprofit organizations, as defined in the Act, shall include in their rates the indirect costs incurred in provision of goods or performance of services under this contract pursuant to the nonprofit organization's unexpired Negotiated Indirect Cost Rate Agreement (NICRA). If a nonprofit organization does not have an unexpired NICRA, the nonprofit organization may elect to instead include in its rates its indirect costs:

(1) As calculated using a *de minimis* rate of 10% of all direct costs under this contract;
(2) By negotiating a new percentage indirect cost rate with the awarding agency;
(3) As calculated with the same percentage indirect cost rate as the nonprofit organization negotiated with any District agency within the past two years; however, a nonprofit organization may request to renegotiate indirect costs rates in accordance with B.3.2; or
(4) As calculated with a percentage rate and base amount, determined by a certified public accountant using the nonprofit organization's audited financial statements from the immediately preceding fiscal year, pursuant to the OMB Uniform Guidance and certified in writing by the certified public accountant.

B.3.2 If this contract is funded by a federal agency, indirect costs shall be consistent with the requirements for pass-through entities in 2 C.F.R. § 200.331, or any successor regulations.

B.3.3 The Contractor shall pay its subcontractors which are nonprofit organizations the same indirect cost rates as the nonprofit organization subcontractors would have received as a prime contractor.

B.4 PRICING SCHEDULE

B.4.1 The District will purchase its requirements of the services included herein from the Contractor. The estimated quantities stated in the Pricing Schedule reflect the best estimates available. The estimate shall not be construed as a representation that the estimated quantity will be required or that conditions affecting requirements will be stable. The estimated quantities shall not be construed to limit the quantities which may be required from the Contractor by the District or to relieve the Contractor of its obligation to fill all such orders.

B.4.2 All ticket quantities listed on this worksheet are estimates and shall not represent a guarantee of ticket quantities to be printed.
