Amendment 1 – Attachment A

CFOPD-23-R-008 – Automated Testing as a Service (ATaaS)

Set forth below are the District’s responses to Offeror question(s):

1. Does H2 and H3 talk about separate type of sub-contracting companies? Meaning H3 is for sub-contracting with CBE companies and H2 is with non-CBE companies?

Response: *Section H.2 – Subcontracts* clause is a standard contract provision that applies to subcontracting with both CBE and non-CBE companies upon contract award. Once the contract has been awarded, prior approval by the District is required before the Contractor can enter into any new subcontracting arrangements (CBE or non-CBE) for the work being provided to the District.

The *Section H.3 – Certified Business Enterprise Subcontracting Requirements* clause applies to any proposed non-construction projects for more than \$250,000, *unless* a waiver has been approved by the Director of the Department of Small and Local Business Development (See section H.3.12). Failure to comply with this provision will result in rejection of the proposal as non-responsive as set forth in Section H.3.3.

2. Will you be able to clarify this as H2 talks about not subcontracting and H3 says we need too?

Response: See response to Question No. 1.
