Determination and Findings
for a
SOLE SOURCE EXTENSION OF CONTRACT**

CONTRACT NUMBER:	CFOPD-17-C-017
CONTRACTOR:	US Bank Corporation
CAPTION:	Prepaid Debit Card Services
PROGRAM AGENCY:	Office of the Chief Financial Officer
CONTRACTING AGENCY:	Office of Contracts

1. AUTHORIZATION

D.C. Official Code §2-354.04; 27 DCMR 1304, 1700 and 1701 and 2005.2(b)

2. MINIMUM NEED

The District of Columbia, Office of the Chief Financial Officer (OCFO), has an on-going requirement for a Contractor to provide Prepaid Debit Cards and associated services.

3. ESTIMATED REASONABLE PRICE

The estimated fair and reasonable contract amount for this extension period from February 7, 2024 through February 6, 2025 is zero dollars and will have no impact on District finances. Cards are paid via fees through recipients' usage.

4. FACTS WHICH JUSTIFY SOLE SOURCE EXTENSION OF CONTRACT

US Bank is the incumbent contractor and has satisfactorily provided the required services for seven (7) years under Contract CFOPD-17-C-017. The contract was awarded on February 7, 2017 with a one (1) year base period and four (4) one (1) year option periods and has had two (2) one-year additional extensions.

The services provided by US Bank under this contract must be maintained so that critical benefits are able to continue for various District agencies assisting the residents of the District.

The Office of Finance and Treasury has worked with consultants and industry experts to generate a comprehensive statement of work. Time is required for proposal submission, thorough review and evaluation and potential transition to a new vendor with updated and advanced service capabilities.

The incumbent contractor, US Bank Corporation, is the only contractor with historic knowledge and the capacity to provide continuous and uninterrupted services for the various current Prepaid Debit Card Programs throughout the District. In order to facilitate this new acquisition and maintain uninterrupted Prepaid Debit Card Services, the contract shall be extended through February 6, 2025.

As a result of the foregoing, it is necessary and prudent to extend Contract CFOPD-17-C-017 through February 6, 2025 to allow for continuity of services, execution of a new contract award and potential transition to a new contractor.

5. **CERTIFICATION BY AGENCY HEAD**

I hereby certify that the above findings are true, correct and complete.

DETERMINATION

Based on the above findings and in accordance with the cited authority, I hereby determine that it is not feasible or practical to invoke the competitive solicitation process under either Section 402 or 403 of the District of Columbia Procurement Practices Reform Act of 2010 (D.C. Law 18-371; D.C. Official Code § 2-354.02 or 2-354.03). Accordingly, I determine that it is in the best interest of the District and the District is justified in using the sole source method of procurement to extend the contract term beyond the total term specified in the contract, pursuant to 27 DCMR § 2005.2(b).
