SOLE SOURCE CONTRACT**

CONTRACT NUMBER: CFOPD-14-C-068

CONTRACTOR: Executive Information Systems, LLC

CAPTION: Maintenance and License Renewal Support Services

PROGRAM AGENCY: Office of the Chief Information Officer

CONTRACTING AGENCY: Office of Contracts

1. AUTHORIZATION

D.C. Official Code §2-354.04; 27 DCMR 1304, 1700 and 1701

2. MINIMUM NEED

The Government of the District of Columbia (District), Office of the Chief Information Officer (OCIO) has a requirement for a contractor to provide annual maintenance and license renewal support for SAS software.

3. ESTIMATED REASONABLE PRICE

The contract term for the base period of performance is from October 1, 2014 through September 30, 2015. The contract base period amount is \$230,983.00. The contractor's pricing was determined fair and reasonable based on historical data.

4. FACTS WHICH JUSTIFY SOLE SOURCE PROCUREMENT

SAS Institute Inc. (SAS) is the sole manufacturer and publisher of SAS software in the United States.

Currently, Executive Information Systems, LLC (EIS) is SAS' sole authorized reseller for Version 8 and later of the SAS software and subsequent maintenance to such government entities. EIS may license the SAS software and sell subsequent maintenance under the United States General Services Administrative (GSA) schedule, other approved federal schedule contracts, or terms approved by SAS.

Since EIS is SAS' sole authorized reseller for the SAS software, a market survey was not conducted.

EIS will be awarded a contract to provide annual maintenance and license renewal support for the SAS software. The contract term will be a base period of performance from October 1, 2014 through September 30, 2015 with three, one-year option periods.

Based on the above, it is in the best interest of the District of Columbia and its needs to award this contract to EIS.

5. CERTIFICATION BY AGENCY HEAD

I hereby certify that the above findings are true, correct and complete.

Sagar Samant
Director
Office of the Chief Information Officer

Date

6. CERTIFICATION BY CONTRACTING OFFICER

I have reviewed the above findings and certify that they are sufficient to justify the sole source award of this contract under the cited authority. I recommend that the Director approve this sole source contract.

Drakus Wiggins
Contracting Officer

DETERMINATION

Based on the above findings and in accordance with the cited authority, I hereby determine that it is not feasible or practical to invoke the competitive solicitation process under either Section 402 or 403 of the District of Columbia Procurement Practices Reform Act of 2010 (D.C. Law 18-371; D.C. Official Code § 2-354.02 or 2-354.03). Accordingly, I determine that the District is justified in using the sole source method of procurement.
