

Intent to Award Sole Source Contract

Title	Intent to Award Sole Source Contract -Determination and Findings
Notice Date	August 8, 2013
Response Due Date	August 18, 2013
Contract Number	RQ815623
Contract Description	<p>Cable Services</p> <p>Description: The Office of the Chief Financial Officer (OCFO) has a need for cable service at both 1100 and 1101 4th Street, SW in order for executives to view the DC Council hearings. Currently, high-level executives are required to access the Council hearings via the internet using their desktop computers. This interferes with their ability to continue using the computer for other critical processes while viewing the hearings and the band-width that is required to transmit the signals are frequently interrupted given the volume of computer logged into the hearing via the OCFO network. These conditions affect executive efficiency.</p> <p>We explored several cable provider options and discovered that:</p> <ul style="list-style-type: none"> • Direct TV does not offer channel 13 which is the DC Council Channel; • RCN does not offer channel 13 which is the DC Council Channel; • Verizon FIOS is not currently offered in this vicinity and the vendor cannot predict when the service will be available; <p>When we contacted the DC Office of Cable Television (OCT), we learned that COMCAST is the only provider in the District which offers channel 13. Given the importance this service provides to District Government executives, we are seeking to install COMCAST television at both towers of Waterfront Station.</p>
