**Government of the District of Columbia  
Office of the Chief Financial Officer  
Determination and Findings  
for a  
SOLE SOURCE EXTENSION OF CONTRACT**

**CONTRACT NUMBER:** CFOPD-07-C-026B

**CONTRACTOR:** CSG Advisors

**CAPTION:** Financial Advisory Services

**PROGRAM AGENCY:** Office of Finance and Treasury

**CONTRACTING AGENCY:** Office of Contracts

**1. AUTHORIZATION**

D.C. Official Code §2-354.04; 27 DCMR 1304, 1700, 1701 and 2005.6(b)

**2. MINIMUM NEED**

The Government of the District of Columbia (District), Office of the Chief Financial Officers, Office of Finance and Treasury has an immediate need for continuing financial advisory services.

**3. ESTIMATED REASONABLE PRICE**

The contract extension period is from October 1, 2013 through January 31, 2014. Funds shall be obligated at the time orders are issued by the District under the contract. The contractor's pricing was determined fair and reasonable at the time of contract award. The contractor shall maintain its pricing for the extension period.

**4. FACTS WHICH JUSTIFY SOLE SOURCE PROCUREMENT**

CSG Advisors was awarded Contract No. CFOPD-07-C-026B to provide financial advisory services, on an as-needed basis for the Office of Finance and Treasury, the Office of Economic Development Finance, and the Office of the Deputy Mayor for Planning and Economic Development. The contract term ends September 30, 2013.

In preparation for a replacement contract, the Office of Finance and Treasury has developed requirements based on new District initiatives, latest trends in the financial marketplace, and relevant federal legislative changes. The Office of Finance and Treasury is preparing its recommendation of pre-qualified vendors for participation in the second step of the procurement process. Therefore, the anticipated contract effective date

for the replacement contract is February 1, 2014. The District has a critical need for uninterrupted services, as the contractor is available to provide financial advisory services regarding the District's debt obligations, economic development financings, real property, and financing programs. The District requires services on an as-needed basis to timely assist in decision making for ensuring the District's financial stability. The contractor is the uniquely qualified with demonstrated performance and the capacity to provide immediate and consistent services; as such, a market survey was not conducted.

Therefore, it is necessary to extend the contract through January 31, 2014 to allow for continuity of service and to allow time for the completion of the competitive procurement process for a new contract that best meets the District's needs.

5. **CERTIFICATION BY AGENCY HEAD**

I hereby certify that the above findings are true, correct and complete.

6. **CERTIFICATION BY CONTRACTING OFFICER**

I have reviewed the above findings and certify that they are sufficient to justify the sole source extension of this contract under the cited authority. I recommend that the Director approve the sole source extension of this contract.

## DETERMINATION

Based on the above findings and in accordance with the cited authority, I hereby determine that it is not feasible or practical to invoke the competitive solicitation process under either Section 402 or 403 of the District of Columbia Procurement Practices Reform Act of 2010 (D.C. Law 18-371; D.C. Official Code § 2-354.02 or 2-354.03). Accordingly, I determine that it is in the best interest of the District and the District is justified in using the sole source method of procurement to extend the contract term beyond the total term specified in the contract, pursuant to 27 DCMR § 2005.6(b).
