**Government of the District of Columbia  
Office of the Chief Financial Officer  
Determination and Findings  
for a  
SOLE SOURCE EXTENSION OF CONTRACT**

**CONTRACT NUMBER:** CFOPD-05-C-904  
**CONTRACTOR:** Scientific Games International, Inc.  
**CAPTION:** Instant Tickets Products  
**PROGRAM AGENCY:** District of Columbia Lottery & Charitable Games Control Board  
**CONTRACTING AGENCY:** Office of Contracts

**1. AUTHORIZATION**

D.C. Official Code §2-354.04; 27 DCMR 1304, 1700, 1701 and 2005.6(b)

**2. MINIMUM NEED**

The Government of the District of Columbia (District) Lottery & Charitable Games Control Board (DCLB) has an immediate need for continuing a fully integrated, end-to-end solution for the creation, production, distribution and marketing support for instant ticket products.

**3. ESTIMATED REASONABLE PRICE**

The estimated fair and reasonable price budgeted for the contract extension is \$300,000 from August 17, 2012 through December 31, 2012. The estimated price is based on projected expenditures for the period of performance and the contractor's price schedule.

**4. FACTS WHICH JUSTIFY SOLE SOURCE PROCUREMENT**

Scientific Games International, Inc. (SGI) was awarded Contract No. CFOPD-05-C-904 to provide the personnel, materials, equipment, and facilities to design and produce quality tickets and related services for gaming activities operated by DCLB. The contract term ends August 16, 2012.

In preparation for a replacement contract, DCLB is developing requirements based on latest trends in the gaming industry. The improved requirements will be procured through a competitive process with an anticipated contract effective date of January 1, 2013. The

District has a critical need for uninterrupted services, as DCLB operates ongoing gaming activities under the contract to maximize District revenue. SGI is the only vendor with the capacity to provide immediate and consistent services; as such, a market survey was not conducted.

Therefore, it is necessary to extend the contract through December 31, 2012, to allow for continuity of service and to allow time for the completion of the competitive procurement process for a new contract with modern requirements.

**5. CERTIFICATION BY AGENCY HEAD**

I hereby certify that the above findings are true, correct and complete.

**DETERMINATION**

Based on the above findings and in accordance with the cited authority, I hereby determine that it is not feasible or practical to invoke the competitive solicitation process under either Section 402 or 403 of the District of Columbia Procurement Practices Reform Act of 2010 (D.C. Law 18-371; D.C. Official Code § 2-354.02 or 2-354.03). Accordingly, I determine that the District is justified in using the sole source method of procurement.
