SOLE SOURCE PROCUREMENT**

CONTRACT NUMBER: CFOPD-09-C-023
CONTRACTOR: State Street Bank and Trust
CAPTION: Master Trust Custodian Services
PROGRAM AGENCY: Office of Finance and Treasury
CONTRACTING AGENCY: Office of Contracts

1. AUTHORIZATION

D.C. Official Code §2-354.04, 27 DCMR § 1702 and 2005.6(b), PPRA § 404

2. MINIMUM NEED

The District of Columbia Office of Chief Financial Officer (“OCFO”), on behalf of the Office of Finance and Treasury (“OFT”) has a need for master trust/custody.

3. ESTIMATED REASONABLE PRICE

The estimated fair and reasonable price budgeted for the contract is \$144,000 from Date of Award through one (1) year thereafter. The estimated price is based on projected expenditures for the period of performance and the contractor’s price schedule.

4. FACTS WHICH JUSTIFY SOLE SOURCE PROCUREMENT

State Street Bank and Trust was awarded Contract No. CFOPD-09-C-023 to provide master trust custodian services for the District of Columbia, Office of Finance and Treasury. As such, they provide master trust/custody services to include, but not limited to, timely monthly transaction statements and asset listings (market value), daily sweep to money market fund, timely monthly investment accounting statements, online access to account information and payments to third party vendors. The contract term ends September 23, 2014.

The District has a critical need for uninterrupted services, as the OFT requires these services to ensure the Account is functioning as required by legislation. The requirements will be procured through a competitive process. State Street Bank and Trust is the only vendor with the capacity to provide immediate and consistent services without interruption: as such, a market survey was not conducted. Therefore it is

necessary to extend the current contract to allow for continuity of service and to allow time for completion of the competitive procurement process for a new contract.

5. **CERTIFICATION BY AGENCY HEAD**

I hereby certify that the above findings are correct and complete to the best of my knowledge and belief.

6. **CERTIFICATION BY CONTRACTING SPECIALIST**

I have reviewed the above findings and certify that they are sufficient to justify the use of the single available source method of procurement under the cited authority. The notice on intent to award a sole source contract was posted on the Internet and no responses were received. I recommend that the Director approve the use of the sole source procurement method for this proposed contract action.

DETERMINATION

Based on the above findings and in accordance with the cited authority, I hereby determine that it is not feasible or practical to invoke the competitive solicitation process under either Section 402 or 403 of the District of Columbia Procurement Practices Reform Act of 2010 (D.C. Law 18-371; D.C. Official Code § 2-354.04). Accordingly, I determine that the District is justified in using the sole source method of procurement.
