### **District's Responses to Questions Received**

1. Securities Lending:

We do not currently offer Securities Lending but are working to expand our product offering to include Securities Lending.

Would the District foresee the utilization of Securities Lending within the portfolio and thus a need for the product within the year? Thereby excluding offerors who do not currently offer the services from bidding. Or does the District believe that the offeror should proceed with bidding on its portfolio?

**Response: Offerors shall have and demonstrate Securities Lending Service capabilities.**
