Determination and Findings
for a
SOLE SOURCE EXTENSION OF CONTRACT**

CONTRACT NUMBER: CFOPD-08-C-028
CONTRACTOR: Innovative Costing Solutions, LLC
CAPTION: Indirect Cost Allocation Services
PROGRAM AGENCY: Human Support Services Cluster
CONTRACTING AGENCY: Office of Contracts

1. AUTHORIZATION

D.C. Official Code §2-354.04; 27 DCMR 1304, 1700, 1701 and 2005.6(b)

2. MINIMUM NEED

The District of Columbia Office of the Chief Financial Officer (OCFO), on behalf of the Human Support Services Cluster (HSSC), has an immediate need for expert cost determination and advisory services to assist in the generation of cost allocation plans and random moment samples that enable eligible District agencies to recover the maximum indirect costs possible from Federal programs.

3. ESTIMATED REASONABLE PRICE

The estimated fair and reasonable price budgeted for the contract extension is \$299,606.25 from July 29, 2013 through January 31, 2014. The estimated price is based on projected expenditures for the period of performance and the contractor's price schedule.

4. FACTS WHICH JUSTIFY SOLE SOURCE PROCUREMENT

Innovative Costing Solutions, LLC was awarded Contract No. CFOPD-08-C-028 to provide expert cost determination and advisory services to assist in the generation of cost allocation plans for HSSC. The contract term ends July 28, 2013.

In preparation for a replacement contract, HSSC is developing the requirements based on the current needs of the District agencies. The improved requirements will be procured through a competitive process with an anticipated contract effective date of February 1, 2014. The District has a critical need for uninterrupted services, as HSSC must provide cost allocation plans and random moment samples that enable eligible District agencies to recover the maximum indirect costs possible from Federal programs. Innovative Costing Solutions, LLC is the only vendor with the capacity to provide immediate and consistent services; as such, a market survey was not conducted.

Therefore, it is necessary to extend the contract through January 31, 2014, to allow for continuity of service and to allow time for the completion of the competitive procurement process for a new contract with modern requirements.

5. CERTIFICATION BY AGENCY HEAD

I hereby certify that the above findings are true, correct and complete.

Delicia Moore
Associate Chief Financial Officer
Human Support Service Cluster

Date

6. CERTIFICATION BY CONTRACTING OFFICER

I have reviewed the above findings and certify that they are sufficient to justify the sole source extension of this contract under the cited authority. I recommend that the Director approve the sole source extension of this contract.

Drakus Wiggins, CPPB
Contracting Officer
Office of Contracts

DETERMINATION

Based on the above findings and in accordance with the cited authority, I hereby determine that it is not feasible or practical to invoke the competitive solicitation process under either Section 402 or 403 of the District of Columbia Procurement Practices Reform Act of 2010 (D.C. Law 18-371; D.C. Official Code § 2-354.02 or 2-354.03). Accordingly, I determine that it is in the best interest of the District and the District is justified in using the sole source method of procurement to extend the contract term beyond the total term specified in the contract, pursuant to 27 DCMR § 2005.6(b).
