QUESTION 1:

Oracle has informed me that there are some items on this support contract that are not listed on the solicitation:

- Would you like us to quote these items or are they no longer needed?
 - Keep in mind, if they're no longer needed, we'll have to ask Oracle to draft a Termination Letter, which will result in the termination of the associated licenses once fully executed by OCFO.

The following are what Oracle shows as being a part of this support contract, but are not listed on the request:
