

Amendment 2 – Attachment A

CFOPD-19-R-001 – Enterprise Financial System

Set forth below are the District’s responses to the first set of Offeror questions:

1. Section C.4.1. (3) indicates that Offeror shall employ at least 750 Oracle Cloud practitioners including 150 Oracle Cloud Financials Certified Practitioners. Will the District consider reducing this amount?

Response: No.

2. Amendment 1 – Attachment B, Section 4 - Should Blueprint Phase consulting hours be included in Attachment J.24?

Response: Yes.

3. RFP, Attachment J.22 (Tab 5), Question 6 - Please clarify if question 6 should be answered for Blueprint, Implementation (Waves), or both?

Response: The response to Question 6 should only be for implementation as stated.

4. Follow up to Question 56 in first Q&A - Will the Contractor be able to take the Government Furnished Equipment offsite to work on Fridays and off hours? If not, how will offsite work be possible?

Response: The District will be providing laptops to the contractors, they will be able to use them offsite and off-hours. The District will provide all contractors with an Office 365 account which allows access to the Microsoft application suite and to OneDrive as well.

5. RFP, Attachment J.24 (Tab 6) - Cell E52 contains a dollar sign. Can we assume that is a mistake?

Response: Yes. A revised version of Attachment J.24 is included under Attachment B to this Amendment. The workbook is password protected, with the password being “ifs”.

6. J.17 Implementation Pricing Schedule (.XLS) - Several subtotals on the Implementation Pricing Schedule tab appear to be omitting values/cells from their applicable calculation due to formula error. The subtotals in the cells below appear to have formula errors:

- Cell D37
- Cell W37
- Cell AB51

Would the District please correct formula errors and issue a revised Attachment J.17 Excel file?

Response: A revised version of Attachment J.17 is included under Attachment B to this Amendment. **The revised version is password protected, with the password being “ifs”.**

Please note that all formula and totals should be verified and are the responsibility of the Offeror. As stated in RFP Section L.4.4, “*Formulas are provided in the workbook for the convenience of the Offeror. The Offeror shall be responsible for the consistency and accuracy of the formulas, sums and roll-ups contained in the workbook. Any errors are solely the responsibility of the Offeror.*”
