The Prizewinner's Travel Companion may join the Prizewinner at the GSE Event but will not be eligible to be a participant in the GSE Event unless the Travel Companion has been duly appointed as the Prizewinner's Proxy.

(b) GAME SHOW EXPERIENCE. The GSE Event shall be conducted according to event and security procedures (the "Event and Security Procedures") generated by SG and its third-party underwriters. Final event details (the "GSE Event Details") explaining how the GSE Event will be conducted shall be provided by SG to the Lottery no later than 120 days prior to the date of the GSE Event. Any provision that materially affects Lottery's Prizewinner's eligibility, prize entitlement, proxy participation, expected payout, or legal obligations shall be subject to Lottery's prior written approval, which shall not be unreasonably withheld or delayed. The GSE shall be conducted as set forth below:

(1) Each Lottery Prizewinner (each a "Contestant" or plural "Contestants") (or an assigned Proxy) shall participate as a Contestant in the GSE Event together with Contestants from other participating lottery jurisdictions.

The involvement, insolvency, nonperformance, or refusal to pay by any underwriter or other third party shall not relieve SG of this obligation. All GSE Event Cash Prizes shall be paid in a lump sum, less any withholding or setoff required by applicable law or directed by Lottery pursuant to applicable procedures.

(5) SG reserves the right to modify specific game play provided such change does not result in a lower expected payout for the Contestant for the modified portion.

(6) SG shall administer the GSE Event, and all GSE Event Rounds shall be audited by an independent third-party auditor (the "Event Auditor"). Participation in the GSE Event may be subject to applicable federal, state and local laws, including the laws of the State of California.

(E) If a Trip Prize is refused by the Prizewinner or is not claimed within the timeframe determined by the Lottery, the Lottery will validate an alternate Prizewinner, and SG shall fulfill that Trip Prize under the same terms and conditions as specified herein, provided that the Trip Prize is still available, and time requirements have not elapsed;

(F) SG may substitute a prize of equal value or greater value upon the written approval of the Lottery.

SG shall provide an IRS Tax Form W-2G form to the Prizewinner and shall provide a copy to the Lottery upon request. All Cash Prizes won by the Prizewinner will be subject to the Lottery's debt setoff procedures.

(4) *Open-Source Intelligence Background Investigations (OSINT)*.

(A) As a condition of participation in the GSE Event, the Prizewinner and Travel Companion shall execute a written authorization permitting SG to conduct a limited OSINT Background Investigation. "OSINT Background Investigation" means the collection and verification of information that is lawfully and genuinely accessible to the general public, including public court records and dispositions, government registries and databases open to the public, public licensing and corporate records, public sanctions or debarment information, reputable published news sources, and publicly accessible Internet information.

(B) Prohibited Sources. SG shall not request, obtain, access, receive, purchase, or use fingerprints; fingerprint-supported criminal-history information; NCIC information; FBI Interstate Identification Index or FBI Rap Back information; CJIS-restricted information; MPD nonpublic criminal-history information; or any federal, state, local, or tribal criminal-history database that is not lawfully available to the general public. Nothing in this paragraph prohibits SG from reviewing a court docket, judgment, or disposition that is publicly available from a court or other authorized public source. These prohibitions shall apply to all subcontractors.

(C) Purpose Limitation; SSNs/TINs. SG shall collect, access, process, disclose, or use OSINT information solely to administer this Contract and to make a recommendation to Lottery regarding the Prizewinner's or Travel Companion's eligibility to participate in the GSE. SG shall not use such information for advertising, marketing, solicitation, employment screening, tenant screening, credit purposes, commercial profiling, data brokerage, database-building, model or algorithm training, product development, investigation of any other person or matter, or any purpose unrelated to this Contract.

(D) An SSN, ITIN, EIN, or other TIN may be collected or used only to the extent necessary for lawful prize payment, tax withholding, or tax reporting and shall not be used as an OSINT search key or included in the OSINT investigative file. A Travel Companion's SSN/TIN shall not be collected unless Lottery determines that applicable tax or payment law requires it. Nothing in this Contract requires a public posting or separate public disclosure concerning SSN/TIN collection or use; however, the collecting party shall provide the individual all notices required by applicable law, including any notice concerning whether disclosure is mandatory or voluntary, the authority for the request, and the permitted uses.

(E) Eligibility Standards and Adverse Determinations. Before commencement of the applicable promotion, Lottery shall approve in writing an Eligibility Criteria Schedule identifying each ground that may support exclusion from the GSE Event, any applicable lookback period, the evidence necessary to establish the criterion, and the nexus between the criterion and lawful, safe, fair, or secure administration of the GSE Event. SG shall not create, expand, waive, or substitute a criterion. No participant may be adversely affected solely because SG considers the person "unsuitable," because of generalized

reputational concerns, or under any other undefined discretionary standard. When SG identifies information potentially satisfying an approved criterion, SG shall verify the information through an official public record or other reliable source and submit a confidential written recommendation identifying the criterion, material facts, source, and basis for the recommendation. SG shall have no authority to disqualify or forfeit a prize. Lottery shall review the recommendation and supporting material. Before an adverse final determination, Lottery shall provide the affected person reasonable notice of the material basis for the proposed determination and a reasonable opportunity to identify mistaken identity, inaccurate or incomplete information, or other material error. The Lottery Executive Director, subject to any appeal right provided by law or regulation, shall make the final Lottery determination concerning eligibility to participate in the GSE Event and shall issue a written decision stating the criterion relied upon and material basis for the determination. The process shall not impair any appeal right otherwise available under Title 30 DCMR or other applicable law.

(F) Information Security and Records Management. SG shall protect all information obtained or created under this section using reasonable administrative, technical, and physical safeguards appropriate to its sensitivity, including access limited to personnel with a documented need to know, encryption in transit and at rest where technologically appropriate, authentication controls, access logging, and secure methods of transmission and destruction. SG shall notify Lottery within twenty-four (24) hours after discovering any actual or reasonably suspected unauthorized access, acquisition, use, disclosure, loss, or compromise and shall comply with all applicable breach-notification requirements. SG shall not disclose information obtained in performance of this Contract except to authorized SG personnel, Lottery, or as expressly required by law after notice to Lottery where legally permitted. Raw OSINT research material shall be securely destroyed within ninety (90) days after Lottery gives written authorization to destroy following the final eligibility determination, expiration of the contest period, and completion or forfeiture of the GSE, unless a litigation hold, audit, applicable records schedule, or other law requires longer retention. Required contract-performance, decision, and audit records shall be retained for the period required by D.C. Code § 2-354.18, or other applicable law.

(d) Marketing Support.

(1) *Interactive Services:* SG shall provide Hash Files to the Lottery.

The Contract Price is inclusive of all SG costs, fees, expenses, fulfillment charges, production costs, and other amounts except costs expressly identified in this Contract as the responsibility of Lottery. For the avoidance of doubt, Lottery's rights to use the Property are granted pursuant to and governed by the GAA and are subject to the License Fee set forth therein. SG shall submit one invoice for $75,000 after Lottery has awarded and validated the Trip Prize. Payment is subject to receipt of a proper invoice and the applicable payment provisions of Attachment A. SG shall not invoice Lottery for, and Lottery shall not be liable for, any amount in excess of the Contract Price unless authorized by a written Contract modification executed by an OCFO Contracting Officer.

III Contract Term

(a) The base term of this Contract shall be one (1) year beginning on the later date of signature below. Lottery, acting through an authorized OCFO Contracting Officer, may extend the Contract for one (1) additional option period of up to one (1) year, or for one or more shorter periods that in the aggregate do not exceed one (1) year, by written notice to SG before expiration of the then-current term. Any preliminary notice of intent to exercise an option is for planning purposes only and does not bind Lottery or constitute exercise of the option.

(b) Exercise of any option is subject to the availability of appropriated or otherwise lawfully available funds and to execution by an authorized OCFO Contracting Officer. During any properly exercised option period, all terms and conditions of this Contract remain in full force and effect except as expressly modified in writing by the Parties through the OCFO Contracting Officer.

(c) If the Lottery exercises this option, the extended contract shall be considered to include this option provision. Expiration of this Contract shall not relieve either Party of obligations arising before expiration or obligations that by their nature are to be performed thereafter, including GSE Event administration, Trip Prize and GSE Event Cash Prize fulfillment, tax reporting and payment obligations.

IV. Incorporation of the District's Standard Terms and Conditions

The District of Columbia Standard Contract Provisions / Standard Terms and Conditions identified as Attachment A are incorporated into and made part of this Contract. In the event of a conflict, the following order of precedence applies: (1) any written Contract modification executed by an OCFO Contracting Officer; (2) Attachment A; and (3) the body of this Contract, unless the modification expressly states a different order of precedence.

This Contract supplements and does not supersede the GAA or the agreement the Lottery and SG have entered into for the production of instant tickets and related serviced as Contract CFOPD-25-C-001C. The GAA controls any conflict concerning the scope or permitted use of the Properties. Participating lotteries shall have no liability for any GSE Event Cash Prize amounts awarded collectively in the GSE Event and the third-party underwriter of such Prize (where applicable) has accepted the obligation to pay the GSE Event Cash Prize to the Prizewinners. NOTHING IN THIS PROVISION AUTHORIZES SG TO REVOKE A LOTTERY PRIZE OR A VALIDLY EARNED GSE EVENT CASH PRIZE AT ITS SOLE DISCRETION. SG SHALL PROMPTLY NOTIFY THE LOTTERY OF ANY DISQUALIFICATION OR REVOCATION AND PROVIDE REASONABLE INFORMATION CONCERNING THE CIRCUMSTANCES.

(k) Neither Fremantle Media North America, Inc. ("Fremantle"), nor any of its subsidiaries, affiliates or licensors (its parent, subsidiaries, affiliates, and licensors are collectively referred to hereinafter as, the "Fremantle Entities") are sponsors or administrators of the GSE Event.
