Payment Brand Fees

A substantial amount of the fees that we charge for processing Transactions consists of charges that we must pay to the Payment Brands and card issuing banks (or that are otherwise charged to us by the Payment Brands and card issuing banks) under the Payment Brand Rules. These charges (collectively referred to in this Schedule A as "Payment Brand Fees") include, but are not limited to, interchange, assessments, file transmission fees, processing fees, network access fees, and cross border fees. Whether a particular Payment Brand Fee applies is based on several factors, like the type of Payment Instrument presented, specific information contained within the Transaction, how and when the Transaction is processed, and the merchant's domicile and industry.

Please note that Paymentech, LLC ("Chase") may, from time to time, elect not to charge you for certain existing, new or increased Payment Brand Fees. If we elect not to charge you, we still reserve the right to begin charging you for existing, new or increased Payment Brand Fees at any time in the future, upon notice to you. No such Payment Brand Fees will be imposed retroactively.

Additional information about significant Payment Brand Fees (Interchange and Assessments), can be found at:
www.chasepaymentech.com/interchange_and_assessment_understanding.html

*MasterCard assesses the MasterCard Acquiring License Fee annually to each Acquirer based on the total annual volume of MasterCard-branded sales (excluding Maestro PIN debit volume) of its U.S. domiciled merchants. To fairly distribute the fee across all Paymentech MasterCard-accepting merchants, a rate of .004% will be applied to all of your MasterCard gross sales transactions.

**MasterCard assesses a file transmission fee based on the number of bytes of data contained in a transmitted file. Because file size may vary from transaction to transaction, the parties acknowledge that it is not possible to accurately translate the byte based fee into a consistently accurate transaction-based fee.

In light of the foregoing, the parties have agreed that Merchant shall pay Paymentech ("Chase") a fee in the amount stated above for each transaction submitted under this Agreement. Such fee shall be deemed to be the file transmission fee imposed by MasterCard on each transaction for all purposes of this Agreement, and Paymentech ("Chase") may change the amount of such fee in accordance with the terms of this Agreement in the event MasterCard changes the amount or calculation of its file transmission fee.

Amount due upon Termination

In addition to the other amounts due under this Agreement (including without limitation, the fees and charges described in this Schedule A), you may owe an amount in the event you terminate this Agreement. Whether you will owe that amount, and how much you will owe, will be determined in accordance with the terms of the Agreement, including, without limitation, the "Termination" section.
