INSERT: Section H.11.2.1

The Contractor shall, provide an annual performance bond in the amount equal to the annual amount of the contract excluding the cost of maintenance during the implementation stage of the project or the first four years of the contract base period, whichever ends last, and a one million dollar bond during the fifth year of the contract base period in which the Contractor provides warranty services. The Contractor shall provide a one million dollar bond during any option period.

The bond shall be maintained in full force and effect for the initial term and any and all renewal terms of the Contract. Such renewed bond shall be provided to the District prior to the expiration of the previous bond. The bond shall be forfeited to the District if the Contractor fails to perform as required by the Contract. Neither non-renewal by the surety, nor failure or inability of the Principal to file a replacement bond in the event the surety exercises its right to not renew this Bond, shall itself constitute a loss to the Obligee recoverable under this bond or any extension. If the Vendor defaults in the performance of its contractual obligations or if the District incurs damages due to the Vendor's breach of its duties, the surety shall have the option to cure the default or tender funds sufficient to pay the cost of completion, up to an amount not to exceed the penal sum of the bond. With the concurrence of the District, the surety may assume the remainder of the contract to perform or sublet.
